

Uneasy about this trend

To the editor:

A lot of Americans have become so insulated from reality that they imagine that America can suffer defeat without any inconvenience to themselves.

Pause a moment, reflect back. These events are actual events from history. They really happened!

Do you remember?:

1. 1968 Bobby Kennedy was shot and killed by a Muslim male extremist.

2. In 1972 at the Munich Olympics, athletes were kidnapped and massacred by Muslim male extremists.

3. In 1979, the U.S. embassy in Iran was taken over by Muslim male extremists.

4. During the 1980s a number of Americans were kidnapped in Lebanon by Muslim male extremists.

5. In 1983, the U.S. Marine barracks in Beirut was blown up by Muslim male extremists.

6. In 1985, the cruise ship Achille Lauro was hijacked and a 70-year-old American passenger was murdered and thrown overboard in his wheelchair by Muslim male extremists.

7. In 1985, TWA flight 847 was hijacked at Athens, and a U.S. Navy diver trying to rescue passengers was murdered by Muslim male extremists. (Remember the pilot of this flight was from Richmond, Mo.)

8. In 1988, Pan Am Flight 103 was bombed by Muslim male extremists.

9. In 1993, the World Trade Center was bombed the first time by Muslim male extremists.

10. In 1998, the U.S. embassies in Kenya and Tanzania were bombed by Muslim male extremists.

11. On 9/11/01, four airliners were hijacked; two were used as missiles to take down the World Trade Centers and of the remaining two, one crashed into the U.S. Pentagon and the other was diverted and

crashed by the passengers. Thousands of people were killed by Muslim male extremists.

12. In 2002, the United States fought a war in Afghanistan against Muslim male extremists.

13. In 2002, reporter Daniel Pearl was kidnapped and beheaded by — you guessed it — Muslim male extremists.

No, I really don't see a pattern here to justify profiling, do you? So, to ensure we Americans never offend anyone, particularly fanatics intent on killing us, airport security screeners will no longer be allowed to profile certain people ... absolutely no profiling!?

They must conduct random searches of 80-year-old women, little kids, airline pilots with proper identification, secret agents who are members of the President's security detail, 85-year-old Congressmen with metal hips, and Medal of Honor winner and former Governor Joe Foss, but leave Muslim males alone lest they be guilty of profiling.

According to The Book of Revelations:

The Anti-Christ will be a man in his 40s of Muslim descent, who will deceive the nations with persuasive

language, and have a massive Christ-like appeal ... the prophecy says that people will flock to him and he will promise false hope and world peace, and when he is in power, he will destroy everything.

And now:

For the award-winning act of stupidity of all times, the people of America want to elect, to the most powerful position on the face of the planet — the presidency of the United States of America. A male of Muslim descent who is the most extremely liberal senator in Congress (in other words an extremist) and in his 40s.

Have the American people completely lost their minds, or just their power of reason?

I'm sorry, but I refuse to take a chance on the "unknown" candidate Obama.

Let's send this to as many people as we can so that the Gloria Aldreds and other stupid attorneys along with federal justices that want to thwart common sense, feel ashamed of themselves — if they have any such sense.

As the writer of the award winning story "Forest Gump" so aptly put it: "Stupid is as stupid does."
